Definition of 'Union' (Webster's Dictionary)

Union (you-n-yen) - **a.** An act of uniting or the state of being united. **b.** An alliance or federation of persons, parties, or political entities for mutual interest or benefit.

Don't let **Mark Garrity** deflect us from the real issues. Garrity is an insignificant hired gun, a 'union buster' who (get this) has a signed contract with Wynn.

The real issues are:

Job Security - we have none. We can be fired, suspended, etc. with **NO DUE PROCESS.**

Tips - management gives us what they want. They have taken away our right in the tip sharing process.

They have stolen up to 20% of our tips.

There's only one way this is going to change.
